DONATIONS FOR RAFFLE BASKETS:

Every year, School Council puts together large prize baskets for John McCrae students to take home. Each student will receive a ticket at school (free of charge) for a chance to win the basket of their choice. Additional tickets will also be available at the event. **In order to create these amazing themed baskets, we require financial donations.** Donations may be made through [School Cash Online](#) when you place your food orders for Family Fun Night. Thank you so much to our generous families!

SILENT AUCTION DONATIONS:

Do you know a local business or entrepreneur willing to donate **new items** or **gift certificates** for this event? This is a great opportunity to promote a home business, including products or services (e.g., RMT, yoga studio, tutoring sessions, restaurants, etc.). If you don't necessarily know of a business, you can still help... All new or one of a kind items or gift certificates, large or small, are welcome and greatly appreciated. Please [CLICK HERE](#) for more information about the Silent Auction.
