

June Avenue Public School

Just a reminder that the last day of school is Thursday, June 27th! Have a safe and restful summer!

Message from the Principal

It's hard to believe that we are at the end of another school year - time flies when you're having fun! Thank you to the staff for your commitment to student learning, building an inclusive school community and offering clubs and special opportunities for our students.

Our students have continued to work on academics, problem solving and social skills both inside and outside of the classroom. At June Ave, we work hard to show respect, include others and be responsible. Continue to work hard in these areas during these final days and over the summer months, Griffons! Thank you to our parents for your continued support and partnership in your child/ren's education.

It has been a pleasure and honour to have served as the Principal for our community these past two years. I feel lucky to have been part of the team at June Ave!

All of us at June Ave hope you take the time to rest and refuel for September, enjoy family and friends, and most importantly be safe!

Sincerely,
Mr. Turner

Best Wishes and Welcome!

We'd like to say goodbye to the following staff who will not be returning in September: Ms. Lundragin, Ms Powell and Mrs. Mawhinney. A warm welcome goes out to Mrs. Isla, Mr Brady and Mme Pommier who will be joining the June Ave team in September.

A Message from our School Council

On behalf of the School Council at June Ave, we would like to thank all families for your support towards our fundraising initiatives this year. Our fall Chocolate Bars, Scented Market Candles and several smaller scale fundraisers were highly successful and have contributed towards various school initiatives such as the Guelph Grotto climbing program days and funding half of the Gaga Ball Pit. Thank you!

A Special Thank you...

The June Ave community would like to extend a special thank you to our Nutrition Program volunteers. Our students benefit so much from your dedication and commitment.

First Day of School for 2024-2025: Wednesday, September 4th

[2024 - 2025 School Year Calendar](#)

First day of School Procedures:

Staff will meet students outside (back of the school) by the appropriate signs (ie. Grade 3 area). Once the entry bell has gone at **8:50 AM**, teachers will call out names and take their new class into the school. There will be many staff outside to help with any questions.

If it rains, students will meet in the gym and organization will take place from there.

Teachers will share specific materials needed for students with families during the first week of school. At the end of the day, students will be dismissed at **3:10 PM**.

Please remember that our school organization for the 2024-2025 school year will not be finalized until after the second week of September when final enrollment is submitted to the board office. This means that class placements may change and reorganization of class(es) could happen mid-September.
