*The School Council would like to announce the new Co-Chairs for the 2022/2023 season. Welcome Sharon Edmonds and Priscilla Bennett. Thank you for both stepping up into the Chair role. We are grateful to have you both this year and can't wait to see what amazing and fabulous things the School Council has planned for the future.*

*Here is a little bit about our new Co-Chairs to help become familiarized with them both.*

*Hello, my name is Sharon, I am a Mom of 3 kids who are in the French Immersion Program. My oldest son graduated from MAPS last June and is now at ODSS, my middle son is currently at MAPS in grade 6 French Immersion and my Daughter is currently at Princess Elizabeth and will be moving to MAPS for the FI in September.*

*I am originally from the UK and grew up just outside London. I moved to Canada 14 years ago.*

*As well as being a Mom, I am a Registered Yoga Teacher and run a private Yoga Studio from my home.*

*As MAPS has been a big part of my life for the past few years and will continue to be for several more to come, I look forward to being involved with school and being on the Parent Council.*

Sharon Edmonds

*My name is Priscilla, I have volunteered to be School Council Co-Chair. Some of you may already know me, or you may have seen me in the school helping with pizza day. In previous years I've helped with the snack program, our Christmas market, and volunteered when needed. I've been a School council voting member for the past 3 years. I am bilingual with French being my first language.*

*My husband and our son Charlie moved to Mono from Mississauga 5 years ago. Charlie is in grade 3.*

*Some of my interests include travelling, cooking, crafts, the outdoors and reading.*

*As Co-Chair, my goals include continuing to improve and help with school initiatives, events, fundraising, and try to assist with whatever I can for both teachers and students. I encourage our MAPS families to participate to help make this another great year.*

*I am grateful to all those whose efforts and ideas are making MAPS a great place for our children to learn and have fun.*
