

Tips on How to Save Energy at School

PERSONAL COMFORT

Keep a sweater handy

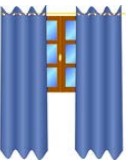

No need to turn up the heat or air conditioning!

Dress in layers

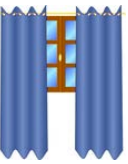

HEATING/COOLING

Vents on window sills, etc. kept clear

Curtains/blinds closed at end of day

Close windows when heating or cooling and at the end of every day

TRANSPORTATION

Bike, walk or roll to school

LIGHTS

Turn off when leaving the room

Use natural light when possible

Celebrate earth hour every day! Turn off the lights at lunchtime.

TECHNOLOGY

Turn off when not in use
