QUESTIONS YOU MAY BE ASKING YOURSELF AND WONDERING IF THE ANTI-HUMAN TRAFFICKING PROGRAM CAN PROVIDE SUPPORT:

- Someone has disclosed information to me that indicates possible warning signs for human trafficking. I'm not sure what to do to prevent escalation and harm... what are some options that can be explored?
- I'm not sure I know enough about human trafficking to know if a person I care about is being trafficked...I'm worried but I'm not sure what to do?
- I'm supporting someone who has shown signs that may indicate human trafficking and has reached out to me for help...how can I learn more about and/or connect them to the Anti-Human Trafficking Program?
