

# TutorBright gives students a chance to SUCCEED

## 10 Hours of Tutoring for your Child. Offered through the Ministry of Education:

The Upper Grand District School Board has partnered with TutorBright to provide your child with up to 10 hours of free tutoring.

**This is a 'first come, first serve' opportunity and there are limited spots. Registration opens November 14th.**

TutorBright's approach to education is holistic, focusing on each student's personal academic and social-emotional needs. This helps students develop a love for learning, a positive mindset and increased self-esteem.

### INITIAL ASSESSMENT / CONSULT

Prior to starting with a tutor, every student goes through an in-depth consult which allows us to understand the student's personality, learning style and academic strengths and weaknesses.

### OUR TUTORS ARE MENTORS

We match each student to a tutor who would be a perfect fit for them. Our tutors are qualified and passionate in helping students succeed. They make virtual learning engaging, and help students with goal setting and building resilience.

### CUSTOMIZED LEARNING PROGRAM

We customize an academic and learning program for each student. Programs are tailored to bridge academic skill gaps and enhance overall learning. We also help with homework and test preparation.

### VIRTUAL TUTORING

Our video conferencing technology simulates in-person face-to-face tutoring. The tutor and student can interact in real time using audio, video, and a shared whiteboard where students and tutors can simultaneously work on homework, assignments, and more.

## Accessing your up to 10 hours of tutoring is as easy as 1,2,3:

**1** Go to <https://tutorbrightpartner.com/> - Registration Opens Nov 14th

**2** Complete the contract form. In the "City" section, please indicate what region you reside in: Wellington County, North Wellington, Guelph or Dufferin County.

**3** Once your contact form is submitted, a member of the TutorBright team will contact you to get you started.

### Additional Support and Questions:

If you have any difficulties with the steps above, please send us an email at [inquiry@tutorbright.com](mailto:inquiry@tutorbright.com), and we will respond to you shortly.
